DATE: 2 April 1959

FROM : Acting Chief, Plans and Policy Staff

SUBJECT: Weekly Activity Report #13

1. S. 96

Senate bill 96 concerning the employment and administration of teachers for DOD employee dependents has been reviewed. The bill, if it becomes law, will not require an Agency or OTR policy revision.

2. President's Board of Consultants on Foreign Intelligence Activities Report (Hull Committee)

25X1

After coordination with all Schools and Staffs, the semiannual Hull Committee report for OTR has been prepared. Mr. SPA-DD/S, will incorporate the OTR submission with those from other Support components for the final DD/S report.

4. P. L. 85-507

A complete review has been made of Agency Regulations affected by P. L. 85-507 (Government Employees Training Act) and the recommended revisions to Agency Regulations proposed by R/TR. Further analysis is being continued to determine what OTR action will be necessary for full compliance with the Act.

5. ELINT Training Committee

General Cabell. According to Dr. Scoville, DD/I concurred in the recommended action, provided the ELINT activity continued at its present level. Mr. Bissell's concurrence included the comment "The recommendations are fine as far as they go, but there is need for more slots, more recruitment, and bigger and better things." Mr. [] of the DD/S office advised that Mr. Lloyd has approved the ELINT program in principle subject to the authorization of funds and organization slots. 25X1

6. Space Outside the New Building

No action has been taken by PPS this week on the study on space needed outside the new building. School and Staff Chiefs concerned are preparing their requirements as requested.

7. Planning Group for an Integrated Reporting and Communications System

Two subcommittees were appointed at the most recent meeting of the Planning Group for an Integrated Reporting and Communications System. One committee, headed by the Office of Communications, is to explore the possibility of obtaining more suitable equipment to support the [] (Flexowriter) program. The other committee will concern itself with suggesting improvements in format and reporting techniques. The Planning Group foresees no need for training in support of their activities for some time to come. A separate memorandum giving details of the meeting is being circulated. 25X1

8. Miscellaneous

Other activities in addition to the above were:

- a. A meeting with MPD/Pers for the preparation of required forms for active duty assignment.
- b. Completing necessary action on suggestions received from Suggestion Awards Committee.
- c. Two discussions with Mr. [] O-DD/S, outlining 25X1 functions performed by PPS.
